

REMARKS

This Supplemental Amendment includes the full claim set in which claim 12 was inadvertently shown as having the limitation "wherein the animal is poultry". Claim 12 has been corrected to its original form, "wherein the animal is a ruminant". No new matter has been added by submitting this Supplemental Amendment.

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Reconsideration and allowance is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Janae E. Lehman Bell". The signature is fluid and cursive, with the last name "BELL" written in a slightly more upright, blocky style than the first name.
